The names of Ruth and Sisler are uppermost in mind when this daduction is made, but there are many other major league players of teday who has gan as pitchers and are now doing other worth-while chores. Tis a fact that Goslin set out from the farm down yonder in Salem N . 1 , with his future mapped out for a long and useful career on the mound. When he was a kid of 16 he began hurling for teams in the immediate vicinity of Salem, and acon his fame began to travel. In 1920 he was offered a contract by Charleston of the Sally League, but after a month there, was out of a job.
